What is NACCFA?

NACCFA is the National Association of Christian Child and Family Agencies, formed in 1933 by a group of agency directors desiring to link with others for fellowship, mutual encouragement, and opportunities to address issues from a Christ-Centered perspective. NACCFA includes adoption agencies, residential programs, foster care providers, youth homes, and counseling services to name a few.

Host Agency

Missouri Baptist Children's Home began in a rented residence of 12 rooms at 2651 Morgan Street, Saint Louis, in April 1886. Adopting the mission of serving God by responding to the needs of children, youth and families to make a lasting difference in their lives, the ministries of MBCH have expanded to include foster care, adoption, pregnancy services, human trafficking rescue, and other family centric services in multiple locations across the state.
